WAITED ON OFFICIALS.

But the Superintendents Would Not Confer with Representatives of Miners' Organization.

The committee appointed by the United Mine Workers of the First district to call upon the general superintendents of the various mining companies in this region waited upon a number of these officials yesterday morning for the purpose of conferring with them regarding an adjustment of conditions to which the organization objects.

The committee visited E. E. Loomis, superintendent of the coal department of the Delaware, Lackawanna, and Western company; Superintendent Ross, of the Delaware and Hudson company; John Jernyn, of the Jernyn Coal company, and T. H. Watkins, of the Temple Iron company.

In each instance they were informed that the companies would not meet with representatives of the United Mine Workers on any question, but only with their own men. They further stated that if their own men had any complaints to offer, they would be perfectly willing to listen to them; and to do everything that was fair in the premises.

The committee then held an extended session in the St. Cloud hotel on Wyoming avenue, but refused to give out any official statement. Another session of the mine workers will be held in the near future, where the committee will present a report regarding yesterday's conference.

The wedding party entered the parlor to the strains of Loehengrin's wedding march, played by Mrs. Cora Donlin, and were met under a bower of palms by Rev. W. J. Ford, of the Green Ridge Baptist church, who tied the nuptial knot.

EXCEPTIONS TO WARD NOMINATIONS

FILED BY RESIDENTS OF THE EIGHTEENTH WARD.

Petitioners Allege That the Certificates Are Incorrect, Untrue and False—Answer of Peter A. Cannon to Allegations of James G. Collier. Other Answers Filed—Lee Case Settled for \$300—Attorney Replogle Wants Damages—Other Cases Before the Court.

Exceptions were filed yesterday to the Democratic certificates for ward offices in the Eighteenth ward of this city. It is alleged that John McCallie, judge of election; M. F. Gerrity and John J. Noon never signed the certificates as returned, and their names were placed there without their consent and are, therefore, in error, untrue and false, and set forth that M. F. Gerrity received the Democratic nomination for judge of election; John Clark for majority inspector; Peter F. McLoughlin for minority inspector, and Patrick E. Duffy for register of voters. The exceptions filed are as follows:

The undersigned, being a regularly elected Democratic elector for judge of election and for register of voters, said Eighteenth ward in said city and county, hereby excepts to the alleged Democratic certificates for the ward offices of the Eighteenth ward of the city of Scranton in Lackawanna county, filed in commissioners' office, January 4, 1900, for the following reasons:

First.—That John McCallie, judge of election, No. 613 Scranton street; M. F. Gerrity, secretary, 25 E. Market street; John J. Noon, secretary, 24 South Seventh street, never signed the said certificates as therein returned as Democratic election officers as their alleged, and that their names were placed there without their knowledge or consent and by other persons and as your deponent believes, for the purpose of securing the Democratic nomination for said ward offices.

Second.—That the said John McCallie, judge of election; M. F. Gerrity and John J. Noon never swore to the correctness of said certificates, and that the said M. F. Gerrity, on December 20, 1899, as in said certificate returned, nor ever swore to it or any other at different times as therein alleged.

Third.—That the said certificate referred to is incorrect, untrue and false and set forth that M. F. Gerrity received the Democratic nomination for majority inspector for said ward. That Peter F. McLoughlin received the Democratic nomination for minority inspector for said ward. That Patrick E. Duffy received the Democratic nomination for register of voters for said ward. That the said certificates in these respects untrue and false and the said parties therein named as having been nominated for the said various offices were not so nominated or so returned by the duly elected Democratic ward officers and the Democratic election of said ward never truly returned or said individuals as therein nominated for said ward offices.

That James J. Noon received the Democratic nomination for judge of election of said ward. That Edward McGee received the Democratic nomination for register of voters for said ward and was so duly returned by the regularly elected Democratic electors for said ward, as appears by the certificate of said election officers, John McCallie, M. F. Gerrity and John J. Noon, which said certificates were returned to the commissioners' office of Lackawanna county, having been sworn to before George P. Kelloway, alderman, of the Fourteenth ward of the city of Scranton by the said said election officers on the fifth day of January, 1900.

Fourth.—That the said alleged Democratic nomination certificates filed in the commissioners' office on January 4th as aforesaid, certifies that two persons were elected majority and minority inspectors of the Democratic party, which is contrary to law and illegal.

Edward Mooney, James J. Noon.

Court ordered that the matter be heard at 9 o'clock next Saturday morning before Judge Edwards.

Answer to Allegations.

The answer of Peter A. Cannon to the allegations of James G. Collier, who petitioned for the appointment of John J. Kilcullen as judge of election in the First ward of Olympian, was filed yesterday. Cannon does not admit that Collier is a resident of the ward. He claims that he was himself regularly elected, and believes that Collier, Kilcullen and others are "engaged in a scheme on behalf of certain disgruntled persons who were defeated at the regular Democratic primaries to secure control of the ward office board in the First ward of Olympian" by having partisan friends of theirs secure a majority of the offices on said board with the object and intent to control the coming election for ward and borough offices, and to conduct the election at such places and in such a manner as to secure a return of election of certain parties who propose to file nomination papers in case they can secure the appointment of suitable persons upon the said election board; that the object of the said parties is to defeat an honest expression of sentiment of the voters of said ward, and to their choice, the several offices.

Cannon denies that the office of judge of election, and that of ward constable are incompatible as alleged.

Other Answers Filed.

The answer of John J. Walsh to the petition of Charles J. Hoban was also filed yesterday. Walsh was nominated majority inspector of the First ward of Olympian, and Hoban alleged that he could not hold the inspectorship because he is a school director. Mr. Walsh denies that these two positions cannot be held by the same person under the laws, and he denies that court has power to appoint a man in a civil place.

C. C. Donovan, esq., representing John J. Costello, one of the three candidates for select council from the Third ward, filed exceptions this morning to the nomination of John J. Kearney and J. J. O'Malley. The exceptions will be heard Saturday with those filed by Mr. O'Malley.

Settled for \$300. Sarah D. Lee had a suit against the Scranton Railway company. She was injured in an accident at Provident. Three hundred dollars were offered her by the company as a compromise, and Vosburg & Dawson, her attorneys, advised her to accept it.

KIDNEY DISEASE KILLS.

Its Victims Are Numbered by the Hundreds of Thousands.

If you are suffering from Kidney or Bladder disease, the doctor asks: Do you desire to urinate often, and are you compelled to get up frequently during the night? Does your back pain you? Does your urine stain linen? Is there a scalding pain in passing it, and is it difficult to hold the urine back. If so, your Kidneys or Bladder are diseased.

Try putting some of your urine in a glass tumbler, let it stand twenty-four hours. If there is sediment, or cloudy, milky appearance, your Kidneys are sick.

Dr. David Kennedy's Favorite Remedy will surely relieve and cure even the most distressing cases of these diseases, and he prescribes a medicine that equals it for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation. It will promptly correct the bad effects of beer and whiskey. All drug stores sell it for one dollar a bottle.

By sending your address to the Dr. David Kennedy's Corporation, Rondout, N. Y., and mentioning this paper, a trial bottle, together with a pamphlet of valuable medical advice, will be sent free, postpaid by mail. Our readers can depend upon the genuineness of this offer.

Violated her to accept it, since her injuries were temporary and the compensation was sufficient. She refused to follow this advice, and Judge Archibald called her before the bench and told her that she could not receive much consideration from a court and jury if she rejected the counsel of her own attorneys. She preferred, however, to rest her case with a jury and so insisted until yesterday, when she finally gave in and accepted the \$300.

Action Taken in Wilkes-Barre.

D. B. Replogle, of this city, has filed a suit in trespass in Wilkes-Barre against Henry E. Klein and Charles the latter with having slandered him in the office of Alderman Barrett, in Pittston, in December last. Mr. Replogle alleges that Klein maliciously charged him with disorderly conduct and house-breaking, had him falsely arrested and imprisoned, and that now the plaintiff's reputation and standing is damaged in the sum of \$1,000, and for that amount he brings suit.

LETTER FROM THE PHILIPPINE ISLANDS

WRITTEN BY WILLIAM J. BOYCE, OF THIS CITY.

Says Everything Is Quiet but the Soldiers Are Kept Busy—Island of Negros Practically Settled Now. Mounting Guard with Twenty-one Men—Leprosy Prevalent on Cebu Island—Band Played "A Hot Time" at a Funeral—Natives Are Lazy.

Special Correspondence of The Tribune. Corporal William J. Boyce, of this city, who is now in the Philippine Islands, writes another interesting letter to The Tribune, which is here printed, as follows:

Everything has been quiet since time is quiet, but we are kept on the alert at all times, so as not to let the enemy take us by surprise. In the island of Luzon we are having some trouble, but I think that it will soon cease, as the Taraps are getting pretty well scattered, and as soon as they surrender Luzon, no doubt they will surrender all of the islands, as this is their principal fighting ground. At least we hope so here, as we are getting pretty tired of chasing them over the mountains of Cebu, while Major James, of the island of Luzon, the Second battalion of Holo, on the island of Panay, and the Third battalion has headquarters here, Simon Snyder, our colonel, is governor general of the island of Cebu, and is doing his best to keep the Major James, of the Twenty-third Infantry, has charge of the post.

Thanksgiving dinner was eaten under different circumstances than we have had seven miles north of Cebu, and about two miles from the enemy's strongest forts. As our company is alone, it is a very quiet affair, as well as a dangerous one, so we have to be very careful with our movements, as there is no telling when they will attack us.

We left Cebu on the morning of Nov. 23, one day before Thanksgiving Day, and marched out here. We pitched our tents that night, and the next day commenced to fix up our camp in a plowed field for a permanent camp.

ENEMY DID NOT ATTACK.

The enemy sent word into Cebu that they would attack us that night, but they did not, and I guess it was well for them that they did not, as well as for some of us, as we were very busy and the enemy are on the hills, so they would have the best of it as far as the position is concerned, as well as having more men than we have, but we have the advantage over them of being better shots, and having more ammunition, as every man in our company had 20 rounds of ammunition.

We have 102 men now on duty out of a total of 118. That is considered a good percentage, according to the way we have been here, and what we have been through, but the Nineteenth Infantry is considered lucky, in having plenty of good men. We are mounting guard with the present time, everything is quiet.

The roads from here to Cebu were in a bad condition, so we have had the fun of fixing up the roads the past week. On the island there are a good many cases of leprosy, and it is very common in several cases in Cebu daily. It is a sad sight to see them, and I am in hopes they will shift them on some island by themselves, as they should be, if we stay here long.

A funeral is another sight that one will never forget. They carry the corpse through the town on a hearse, and if the person is well thought of the band will play through the streets. On one occasion the band was playing "A Hot Time in the Old Town" on the way, of course, they had heard our band play it and did not know what it was. They are very quick to pick anything up.

As we are a general rule very lazy, so the women do almost all of the work, but in a few years this will be all changed, and a woman will have her share in the Philippines, as well as she has in the States. Wm. J. Boyce, Co. K, 12th Inf., Cebu, P. I.

At the recent meeting of the representatives of the various divisions of the Ancient Order of Hibernians, held recently in Carbondale, a committee was appointed to draft suitable resolutions sympathizing with the Boers in their present conflict, and the following is the result:

Whereas, a state of war exists between the Kingdom of Great Britain and the Boer and Orange Free State republics in Southern Africa.

Resolved, That we sincerely sympathize with the Boers in their present conflict, and that we may be taken by our national organization, consistently with the attitude of peace, and at the same time to preserve the absolute freedom and political autonomy of the Boer republic, and the Orange Free State; and further be it Resolved, That we sincerely sympathize with and heartily endorse any action that may be taken by our national organization, consistently with the attitude of
